

500 REASONS TO SMILE

Article Written by Conan Leung

For the ninth time in our club's history, we congregate at the Richmond Curling Club for wholesome curling fun! This year we are raising funds for the scholarship to be given to a David Thompson Secondary School graduating Grade 12 student is coming spring. Over 50 people (veterans and first-timers alike) showed up for the event. I can safely say that there wouldn't be any future curling Olympian hopefuls coming out of this event, but we had a grand time with the brooms and rocks for 4 hours. Overall we reached the goal of raising \$500 for the scholarship, so the event was a success! Thanks everyone, and see you next year around the same time!

The Leo and New Century Lions Mini-Conference was held this year at Byrne Creek Secondary School on December 5th, 2010. As always the underlying theme of the event was to gather Leos and New Century Lions from around region to share ideas on the successes and issues that affect all clubs of this level. However, with the International Lions Club Convention looming over the horizon in Seattle this coming July 2011, the organizers of the event put a particular emphasis on the once-in-a-lifetime opportunity of being able to participate in this convention so close to home. In fact, the proceeds from the event will be going to sponsor several Leos to go to the convention in the New Year. The conference, planned and executed by Leos and New Century Lions, was a welcoming event that promoted fun and fellowship with all of its participants chalked full of ice-breakers and games.

A MERRY FROSTY SOCIAL

Article Written by Lap Cheung

On December 19th, 2010 the Burnaby Horizon New Century Lions held their very first Frosty Social at the Burnaby Lougheed Lions Den in Burnaby. It was an open invitational dinner which brought together Lions, Leos, and friends for a Holiday Meal. Highlights of the evening included a wonderful Christmas dinner and games that included several rounds of BINGO that was played with the use of traditional Christmas songs as opposed to the calling out of numbers. A great time was had by all.
