WELCOME

We are part of the Multiple District 19 A-1 of Lions Club International. We are located in Western Canada in Vancouver, British Columbia. Our club consists of friendly and helpful individuals who want to make a difference in our community by providing services and aid through volunteering and fundraising.

All our members are between the ages of 18 and 35 who take comfort in knowing that our efforts in serving the community really makes a difference. Some of the organizations we have supported over the past years include Third World Eye Care Society, Covenant House, Tapestry Foundation for Health Care, BC Children's Hospital, SPCA Biscuit's Fund, Lions Foundation of Canada Dog Guides, World Vision, Po Leung Kuk, Union Gospel Mission and many more.

Serving the Community

OUR CLUB

It was in 1997 that most of us had our first taste of Lionism. We were chartered as the Vancouver Cathay Leo Club by our sponsors - Vancouver Cathay Lions Club. We started out as young and ambitious high school graduates with limited experience and life skills.

Through the Leo Club, we were given many opportunities to explore and develop various leadership and team skills. Not only did we gain valuable experiences, but also we gained a close-knit extended family in Leoism (Lionism) full of fun and fellowship.

After seven years as a Leo Club, our club grew and matured, and we found ourselves stepping towards a new path - the exciting and challenging move to become Lions! We are very grateful to our sponsoring Lions Club for all the years of guidance and support they have given us. On June 10th, 2005, we were chartered as the Vancouver Cathay New Century Lions Club. And now begin our new journey in Lionism!

MISSION STATEMENT

To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation.

LIONS INTERNATIONAL PURPOSES

- * To Create and foster a spirit of understanding among the peoples of the world
- * To Promote the principles of good government and good citizenship.
- * To Take an active interest in the civic, cultural, social and moral welfare of the community.
- * To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.
- * To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- * To Encourage service-minded people to serve their community without personal financial reward,

and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LIONS CODE OF ETHICS

- * To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- * To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- * To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- * Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- * To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service

in the spirit in which it is given.

- * Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unwavering loyalty in word, act, and deed. To give them freely of my time, labor and means.
- * To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- * To Be Careful with my criticism and liberal with my praise; to build up and not destroy.
