Christmas Tree Chipping

by Carlo Hui

On Jan 9 and 10, our club held our annual Christmas Tree Chipping event at the parking lot of the Cyclone Taylor Kerrisdale Ice Rank. 12 club members participated in this event. Lion Brenda and Bonnie prepared delicious Korean style cup noodles with sausage; chinese buns and desserts. In addition to the meal, hot chocolate and tea were also served. The exceptional food made this remarkable event even more memorable. All of our members had fun and experienced the generosity of the community in cash and food donations. This event raised \$1237 towards Vancouver Urban Ministries. \$1100 and present will be donated to the Urban Ministries at our 10th Anniversary. This traditional club event provided the opportunity for our club to serve the community in person. It was a great event and created lasting memories shared by many members of our club.

District 19A Fundraising

Dinner:

by Alvina Seid

On Jan 23rd, Karen and Alvina attended the District 19A Fundraising Dinner, and were in charge of the registration table. More than 200 people came to support this year's Fundraising Dinner. This year, under PDG Shella Keung's district 19a fundraising project team, and along with all the support from the District 19A clubs, a total of \$35,000 was raised to go towards the purchase of a new laser machine to treat ocular diseases and conditions. The evening began with a lion dance, with the dignitaries following behind. Entertainment for the evening included several solo's by none other than Vancouver Chinatown Lioness Samantha Siu, and Clement.

2nd 19A-1 Zone Meeting by Alvina Seid

On January 3rd, Secretary Alvina and Immediate Past President Karen attended the second zone meeting. Again, it was held at Chinatown Manor. It was a fun-filled meeting, with abundance of Chinese Buns. All presidents and secretaries presented their reports efficiently, seemed like they were ready for the first working day of 2016. I wish all Lions a good start!
