## **Quad-Installation**

*by Biston Cheung*

Incoming Lion President Biston Cheung, secretary Alvina Seid, Rey Mui and Charlene Liu attended the Quad-Installation of Diamond Campus, Diamond Millennial, Templeton NC and Pacific NC on July 10th. It was the first-ever quad-installation in District 19, with most of the new generation lions clubs. The installation took place in a big ball room at Holiday Inn Vancouver Centre Hotel. Dinner was a feast, with mouth-watering cold-cuts and entrée; and medley of desserts. The Guiding Lion, Lion Cecil Fung from the Vancouver Broadway Lions, made a hilarious speech and took the spotlight of the night. The fun of the night was President Biston and Secretary Alvina stealing the gavel from Diamond Campus and Pacific New Century Lions!

## **New Century Barbecue**

*by Biston Cheung*

Summer has FINALLY arrived!

All the New Century Clubs including Galaxy Lions thought it would be a great way to kick off the summer to mingle and enjoy the sun!

On July 11th, we all met in the Lions Manor in the early afternoon despite the rainy day!

A Korean-styled barbecue get-together with everyone surrounding this tiny picnic table was awesome! A variety of meat marinated by President Biston; everyone shared and sat around the park area discussing summer plans.

A day in the sun with great company and food was just what we all needed before busy September starts.

Hope everyone had a GREAT time!

**2015 RETREAT  
FEATURING  
ELAINE LUK**

**Club Retreat** by Biston Cheung  
To start off the new term, we had a club retreat on Saturday, July 18th at Maple Grove Park. It was the perfect day to be outdoors enjoying some sunshine with six of our club members.. We were also very honored to have Vancouver Cathay Lion Club's president Elaine Luk to join us at our club retreat. President Biston Cheung and Secretary Alvina Seid had a well done agenda. As a group, we set goals for the year. We had a congruence chart and mapped out areas including member retention, promotion & exposure and activities. We reviewed what we did in the past year and planned out what we will do this year. Well done gang! Here's to a successful year!

*Do you know...*

The Lions Club will be 100 years old in 2017. The Lions Club International Centennial conference will be held at Chicago, where the Lions Club originally established.
